PRODUCT INFORMATION

Product name: Portable Baby Nest

WARNING: Never leave the child unattended.

- Never use this product on a stand.
- This product is suitable only for a child who cannot sit up unaided, roll over and cannot push itself up on its hands and knees. Maximum weight of the child: 9 kg.
- Only use on a firm, horizontal level and dry surface.
- Do not let other children play unattended near the carry cot.
- Do not use if any part of the carry cot is broken, torn or missing.
- Do not leave flexible handles inside the carry cot.
- Be aware of hazard of hitting the baby e.g. when putting on floor, going through doors.
- Do not leave anything in the carry cot that could present a danger of suffocation e.g. non rigid toys, pillows.
- Do not place the carry cot close to another product, which could present a danger of strangulation, e.g. strings, blind/curtain cords.
- Overheating can endanger the life of your child! Take into account the ambient temperature and the child's clothing and ensure that the child is not too cold or too warm.
- For recommendation ask a professional for advice on safe sleeping.

If necessary, only use replacement parts provided by Elodie Details. Do not place the carry cot near an open fire or other source of strong heat. Make sure to inspect handles regularly for any signs of damage and wear. When carrying or lifting the carry cot, the head of the child in the carry cot should never be lower than the body of the child. Do not add another mattress on top of the mattress provided by Elodie Details.

Place and date of issue: Stockholm, 05-03-2026
